## PRESIDENT'S MESSAGE: Veteran Appreciation Update And the survey says! Newsletter or not?

Last month I wrote about the Veterans Appreciation BBQ slated for November 7th. There were some great discussions about it at both the Association meeting in July and

at the recent Board meeting in August. After having discussions with folks who are more experienced at event planning than I am, we will be making a few modifications to my original thought process.

As was the plan all along, Veterans or Active Service members will attend for free. We will charge a nominal fee of \$5 for everyone else. This will help defray some of the costs, plus the overall thinking is that if someone pays for something they will typically show up. It will also enable us to get a more accurate count of the number of people attending so we don't run out of food. We should have tickets available at our next Association meeting. We are certainly looking for a large turnout for our inaugural Veterans Appreciation BBQ. Everyone of us owes a debt of gratitude to all of our Veterans and Active Service members and coming together to show them our support will be positive for all of us. Show your Spirit! I'll keep you updated on Meadowwood1 and of course in the Newsletter.

Another item I have been discussing is a survey of Meadow Wood Farms residents, Association members and non-members, on their ideas for improving the Association for all of us. A brief survey has been handed out in the past at Association meetings with varied results. This time I am going to try something different. An online survey consisting of 6 questions and the option to include your contact information if you want. All responses will be completely anonymous unless you fill out the contact information at the end. I am hoping to get some great ideas the Board can consider and possibly act on. The survey title, link and password can be found **elsewhere within the Newsletter**. It would have been too easy to put it here. I want you to read our entire Newsletter.

**Dire** adjective \ 'dī(-ə)r\ : very bad : causing great fear or worry / warning of disaster : showing a very bad future / requiring immediate action : urgent.

Maybe we aren't there yet, but we are getting closer. We are losing our Newsletter editors and no one has expressed a desire to take over. Why not? Where are you? Oh, I know, you are just keeping us in suspense aren't you? You want us to beg? Some public display of need and then like a superhero you will step forward and rescue us. I certainly hope so. Please get in touch with a Board

member, your neighborhood needs you and your skills. Heck, we'll even throw in some on the job training and if necessary help you find a class to hone your skills. Our editors use Publisher and you can see the excellent job it does. We have all come to rely on this valuable form of communication within our community and really hope it continues. You might also just be surprised the fun you have interacting with your neighbors.

I would like to remind everyone to re-view our By-Laws & Deed Restrictions, especially if you are going to build anything or modify your existing property. Taking a few minutes might save you grief further down the road. They aren't too complicated and make for some interesting reading. Example, did you know that if you have a company working on your property and they place a sign by the road, after the workers are done the sign is supposed to be taken down. Also, look over the Standing Committees we have listed in the Newsletter. We need folks to step up and take an active role. For instance, the Control Committee, the Beautification Committee need a chair and members and BK can always use a few good hands on the Refreshment Committee to help with snacks for meetings, setting up and taking down at the Association meetings. It's just a few minutes of your time and it benefits all of MWF. Stay Safe!

Dave Kane, President MWFPOA

## Membership & Newsletter

The newsletter is ALSO available in color on the website.  
[www.meadowwoodfarmsocala.com](http://www.meadowwoodfarmsocala.com)

The current membership year runs from June to the end of May the next year. Please renew your membership ASAP. Your membership supports the monthly Newsletter along with a multitude of events and improvements to our community. We need all of you to participate in keeping Meadow Wood Farms the wonderful place to live that we enjoy. Finally, don't forget that as a member you have a voice and a vote and are encouraged to participate in all aspects of the Association.

**Need to check if you've paid? Contact Dick Woodrome at 861-2364 or email him at [rdw218w@aol.com](mailto:rdw218w@aol.com).** You can have the good feeling that comes from being an involved and contributing member of your community.

**The NEWSLETTER will be delivered to everyone in MWF who requested it.** Mailing tubes have been attached to your mailbox stand in order to make these deliveries legal in the eyes of the USPS. If you're not getting one and/or need a tube, contact **Dick Woodrome** at 861-2364 or email him at [rdw218w@aol.com](mailto:rdw218w@aol.com)

**\*\*NOTICE: Residents who summer outside of Meadow Wood Farms please advise Dick Woodrome to update your subscription from home delivery to the mailing list.\*\***

### IMPORTANT! URGENT! VITAL! CRITICAL!

The Newsletter you are reading is in need of an editor to take over in 2015. If you want to be able to keep getting these informative Newsletters, we need your help in finding a new editor. If you or someone else you know is interested, please contact a Board member or Jodie Gebhard. Training will be provided and the past Editor, Jodie will help you. Time is wasting! Make that call!

### THANK YOU NEWSLETTER DELIVERY PEOPLE!

A volunteer group of your neighbors delivers your newsletter every month. This saves the association considerable mailing expense and ensures that you get your newsletter in a timely manner.

Thank you to our generous members who contribute delicious goodies to our meetings making them more festive and social.

### Sunshine Report

If you are aware of someone who could benefit from receiving a card, whether due to illness or other reason, please notify: Sandy Mollberg at: [lenelew@aol.com](mailto:lenelew@aol.com) phone at 861-9622.

Speedy Recovery cards sent to: Dee McHenry

### Recycle Your Aluminum Cans

To Benefit MWFPOA Treasury

Two of our neighborhood young ladies have volunteered to take over the collection.

### Thank you Rachael and Lillian Workman!

The recycle point for your aluminum cans is at the front entrance to the Friendship Park on Lake View Drive East. Barrels are provided for that purpose. Cans that are rinsed, tab tops removed and crushed are our favorites. Tab tops may go to any charity you know or bring them to meetings to go to Shands Juvenile Kidney foundation.

### ALUMINUM CANS ONLY PLEASE!

### Come to the Meeting and Win \$75.00

The 'It Pays to Come to Meetings' jackpot is up to \$75! A drawing will be held at the next MWFPOA General Meeting for \$75.00, adding \$25 each meeting until a name of a present resident is drawn. **It REALLY pays to come to the meetings.**

### MWF Roads Status Report – Jim Bain

WooHoo! Mobilization for our road project is scheduled to start on Sep 2. This means that they will get equipment, tools, etc. out here then. They must first address the four significant drainage issues on the plans and then they can start reclaiming the roads. They are likely to start at the northernmost end of the neighborhood and work their way out, but that is their call. Please note that contrary to what I was told earlier, the project is scheduled to take 7 months – yes, 7 months. While the contractor will endeavor to get it done sooner, the scheduled completion date is the end of March 2015.

The Partnering session has been scheduled. You will recall that this is a goal setting and team building session for selected stakeholders in the project. MWF will have a couple of representatives in attendance.

Residents may contact Art Walker Construction about paving their driveways. In my experience, contractors are reluctant to do this kind of work in the midst of a large project as it slows down production, but it won't hurt to ask. Obviously, the county cannot be involved in these side deals in any way. If you are interested, you may contact Tim Lusher at 352-629-1466. He is their estimator and can make the decisions for them.

Most mailboxes will not be disturbed as the machinery cuts very close to the road edge. Those that are (including those in swales requiring any work) will be temporarily relocated and then returned to their original location. The contractor will work with the USPS and any individual homeowners affected. Please remember that the county owns an easement of roughly 15 feet on either side of the road (yes, including the 15 feet at the front edge of YOUR property) and can do whatever they need to with that easement to maintain the drainage and the roadways. The contractor will make every effort to avoid disturbing these areas but if necessary, has the right to do so.

The driveway transitions are designed to have 0 elevation change. The contractor will endeavor to tie the road surface into each driveway with this intended result.

Materials testing of both the reclaimed materials and the new asphalt will be done on site on a regular basis to ensure the quality of the work. I've met the site superintendent as well as the project coordinator for the county and the contractor personnel and am looking forward to a very smooth experience (pun intended).

There will be more info coming and I will keep you in the loop with reports on the MWF email network and our web-site at [www.meadowwoodfarmsocala.com](http://www.meadowwoodfarmsocala.com). We continue to work with the county on a daily basis to keep everyone as up to date as possible. If you have questions, please submit them to [mwfroads@gmail.com](mailto:mwfroads@gmail.com). I'll be happy to do my best to find the answers. Respectfully submitted:

Jim Bain

#### ATTENTION RESIDENTS

#### ASPHALT PAVING NOTICE

Weather permitting, resurfacing activities in this neighborhood are scheduled to begin within the next several days (possibly tomorrow).

We appreciate your cooperation in helping us complete this project with as little inconvenience as possible to all involved.

1. Please park your vehicles at least three feet off the paved road surface.
2. Do not run sprinklers the night before that might leave the paved surface in a wet condition.
3. Keep young children and pets indoors and away from the hot asphalt during paving operations.
4. Do not drive on "tack" coat of black, liquid asphalt applied just before resurfacing. Driving on "fresh tack" and then onto your driveway will stain your driveway.

After resurfacing is applied, wait at least 30 minutes before driving on the new surface, and avoid turning wheels when the vehicle is stationary.

## Share The Road Safely– Dave Kane

### SHARE THE ROAD SAFELY!

Summer's is winding down and the kids are headed back to school. It's a sure sign summer is coming to an end when we see the school buses traveling our roads again. So what does that mean? It means there will be children along the roads, playing with their friends while waiting for the bus and not watching for you. It's up to you to watch for them, watch for those big yellow buses with the flashing lights!

Don't try to pass the school bus just before it stops or right after it starts moving again. What about that child who is running to catch the bus before it gets out of sight, or the one who waits for the bus before crossing the road? What about the family pet that is so glad to see its person it just runs out onto the road? **SLOW DOWN!** It's only for a minute or two and it most likely won't impact your day by slowing down, but it could impact the child or pet you hit and ruin everybody's day if you don't.

**Learn, Laugh, Farm with Laura Rich**

I am really glad to have met Laura Rich, she is fun, full of energy and knowledge! Laura has a psychology degree, which was earned during a career as a pastry chef. She has taught special education, and worked as an adjunct professor. Her love for all things fresh comes from her enjoyment in cooking and her pastry background. Laura is a self-taught farmer, learning techniques, through classes, books and online-guides, which she then carries out with hard work on her 7+ acres farm.

Laura's farm is beautiful, and includes her young black lab, chickens, and her Shire Draft horse. The first stop on the tour was her self-built chicken coop which was constructed with help from her friend, John, and is a fortress for her chickens, which include, Ameraucana (which lay the blue eggs), Barred Rock, Cuckoo Maran, Buff Orpington, Rhode Island Red and Silkies. All the chickens are fed an organic diet and are cage-free and free-range. During my visit I purchased one dozen fresh organic eggs and I mean 'fresh' because while I was touring the farm one hen laid the last egg in my dozen!

Laura's garden is full of organic produce. Her gardening system is hydroponic style with the plants in a soil medium of coconut fiber with perlite. The watering system is on timers and consists of rain-barrels with small tubes that feed the plants water, calcium and organic nutrients. There are no pesticides used on her crops. Laura uses only Neem Oil and natural predators. Just recently she used Lady Bugs and Praying Mantis to hunt down and eat the pesky aphids that tried invading her garden, unsuccessfully. The garden has so many unusual 'veggies' which Laura says she loves along with the petite variety which she uses in her cooking.

Be sure to watch the MeadowwoodFarms1 email blast for Laura's updated produce and egg availability. She always has new things growing! Contact Laura for availability: [lrch1054@yahoo.com](mailto:lrch1054@yahoo.com)

Product List: Fresh Organic Eggs are \$3.50 per dozen. Fall crops: Broccoli, Cauliflower, Cabbage, Sweet & hot peppers, Assorted tomatoes, Yellow beans, Lima beans, Squash, Pumpkins, Gourds, Cucumbers, and Loofah sponges. Some assorted beets and lettuces, as well.

Do you know of a Meadow Wood Farms neighbor in need? The Meadow Wood Farms Angels are anonymous volunteers who are ready to help. To submit a request for assistance, email: [MWFAngels@gmail.com](mailto:MWFAngels@gmail.com) or call Elizabeth Waller. The Angels will contact you and obtain additional information in order to evaluate the request.
