## PRESIDENT'S MESSAGE: — “Did You Do Your Dues?”

If you are running Windows 7 or 8 you've probably seen or gotten the notice telling you the upgrade to Windows 10 is free for your computer. If you are working on an Apple you most likely didn't get the notice and if you did, I might consider unplugging my computer and putting it in a faraday bag or wrapping it in aluminum foil. It's obviously been hanging out with some rogue computers.

Anyway, Windows 10 is supposed to be the greatest thing to come along for Windows machines since, well, Windows 3 or 3.1. Or was it 98, or ME? Wait, I know. It was XP! I think. Well Windows 10 tells you it is free for you to upgrade for one year. After that it'll be time to open your wallet.

What does the Windows operating system have to do with our Association? Oh, not too much really, other than we also go through changes on a pretty regular basis. Usually every May when we have our elections there are some changes in the Board. This helps to keep the Board members fresh and engaged in the business of managing the Association. It also allows for new residents to take an active role in providing direction for our Association and opens us up for new ideas, and the opportunity to review the way we do things. Sometimes it just isn't good enough to keep doing something one way, “because we've always done it that way.”

But, unlike Windows, we are not free, almost, but not quite. We too have sent out notices that you have probably seen. Some of you have ignored them, some have paid attention to them and sent in your dues and some even set them aside to take care of later, but heck, we understand that life happens and we forget things. For a paltry \$55 a year or 15 cents a day, you can be part of the best property owners association in Meadow Wood Farms. It is filled with some of the most caring, funny, helping and giving folks who live in MWF, who you could get to know a little better. Plus, you get a meal every year at our Meet and Greet, wonderful desserts

and treats every other month at our meetings and a chance to participate in the direction of our Association. Your dues also help with the care and maintenance of our entrances and park and provide the Newsletter for every resident of MWF that wants one. So what are you waiting for? Join now.

At the July 16th meeting the new MWF Directories were made available. They are also being distributed this year to members with the August Newsletter. We are trying something new to make sure all members get an updated copy. Non-members may buy one for \$5 and members can get an additional copy for \$2. Now, when you look in the Directory at your listing, please make sure it is correct. We have made every effort to be accurate, but because we have that human gene in us, sometimes there will be errors. If you find an error do not panic. That is the most important thing to remember: Don't panic! Calmly sit down at your computer and send an email to Elizabeth Waller, or call her since her number is in the Directory and give her the correct information. Remember, you will not be alone. There will be others in the same circumstances. Elizabeth will then put together a list of corrections and they will be sent out in a future edition of the Newsletter.

As many of you know Meadow Wood Farms has a website. The site address is: [www.meadowwoodfarmsocala.com](http://www.meadowwoodfarmsocala.com). That can be difficult to type sometimes and errors can be made in the typing and then you have to start all over again. Our Vice President, **Bob Coveney**, did some research and discovered the domain name **MWFPOA.com** had not been claimed by anyone. Bob corrected that and now MWFPOA has laid claims to that domain name. The best part of all that is Bob tied it to our current website so now all you have to do is type in: [www.mwfpoa.com](http://www.mwfpoa.com) and you will be taken directly to our website. Isn't technology grand? Thanks Bob for the great idea and for making it happen.

As we have done for the past several months at our Association meetings we recognize those who have made a contribution to MWF over the past few

months. This month, **Stan and Nancy Kostoff** were recognized for their commitment to making our front entrances stand out on special occasions, most recently July 4th. Stan and Nancy are dedicated to the project and do a wonderful job. We are lucky to have someone like them who has taken on this project for all of us.

**Elizabeth Waller** was recognized for her work on the Directory and the new and improved Neighbor to Neighbor section of our website. Elizabeth and her helpers have contacted each of the listed businesses and made sure their contact information was correct and checked whether they would offer discounts to MWF residents. This section of our website will be updated on a regular basis. If you recommend someone on MeadowWood1, don't be surprised to get an email from Elizabeth asking you to fill out a nomination form for Neighbor to Neighbor. It's a great asset for all residents. The Directory was also a major undertaking. That is one reason we only do it every two years. MWF is very fortunate to have someone like Elizabeth who will tackle these projects for the good of all of MWF.

Finally **Sandy Mollberg** was acknowledged for her dedication to the line dancing lessons on Monday and Wednesday evenings at the park. Sandy does a tremendous job and keeps everyone engaged and entertained, while at the same time they are learning and getting some exercise. Sandy recently wore out our speaker system at the park and so now she has a brand new one to use as she puts the line dancers through their paces. If you get a chance check it out at 6:30 on Monday or Wednesdays. Guys, even if you don't want to line dance and your wife does, take a barley pop, or two, with you and watch. Who knows, the rhythm might get to you, you might start tapping your toes and soon you too could be line dancing.

We hope everyone is having a safe summer. Keep on smiling and keep on waving at your neighbors. Meadow Wood Farms is a great place to live and it's because of all of you. See you around the 'hood!

**NEW! TELEPHONE DIRECTORY NOW AVAILABLE (AND NOT PERFECT)!**

The **2015-2016 MWF Telephone Directory** is now available. Remember, member households get one copy for free and additional copies for \$2.00 each. Non-members may purchase a copy for \$5.00. In addition to a virtually complete listing of residents with name, address, phone number, and email, the Directory includes the MWF Deed Restrictions and the Association By-Laws. And don't forget the handy neighborhood map inside the front cover!

The Directory was distributed at the July Association Meeting to about 40 members. Additional Directories are being delivered along with this (August) newsletter. Should either of these opportunities elude you, feel free to contact Dick Woodrome (861-2364) or Elizabeth Waller (304-8871) to obtain your copy.

We are aware of several errors in the Directory already (sigh). If you are receiving your copy along with

## Another Feather by Jim Bain Continue from Cover

You are probably familiar with an Indian headdress. The Plains Indians would collect feathers, typically those of young eagles, and award them to members of the tribe who had distinguished themselves by acts of bravery or honor in battle or by accomplishing something else that would help the tribal community survive and prosper.

Look closely at the picture and you will note a red shouldered hawk feather attached to my bicycle helmet. I found the feather in our pasture at home and stuck it in my helmet for the ride across the plains of America. More accurately, I rode across Iowa in the annual RAGBRAI event. It's 500 miles, starts with a ceremonial rear tire dip in the Missouri River and finishes with the even more important front tire dip in the Mississippi. RAGBRAI is seven days of riding with more than 15,000 other riders and as many as 25,000 on some days.

Each "pass through" town embraces the event with a festival. There are street vendors selling food and drink of all kinds. The local churches are all there too. They're raising much needed funds by selling everything from pies and muffins to spaghetti or ham balls. Every town's fire department joined in the fun as well, typically selling grilled things like steak on a stick. Even the local high school cheer leading squads were there to cheer us on. Music, dancing, and games like human foosball, giant beer pong, and cornhole were part of the scene. The stopover towns did it up even bigger with full blown expos and big name concerts featuring bands like Huey Lewis and the News and Cheap Trick.

Each day, as the route took us through the small towns and corn fields of Iowa, we would stop at vendors along the way. Some are famous on this ride, like Mr. Porkchop, the Yogurt Guy, and BackPocket Brewing. Others were as simple as the classic kids' lemonade stand. Without exception, the people of Iowa were hospitable and gracious. It was a joy to spend the week in the heartland of America.

While the ride was like a moving city, it was still a ride. Iowa is much more hilly than I would have imagined. We did just under 16,000 feet of climbing during the week and averaged a little over 70 miles each day. And it was not only bicycles. There were recumbent arm driven tricycles, tandems, a couple of unicycles, and even a skateboard. Impressively, even the guys on unicycles and skateboards were there to do the entire 500 miles.

So yes, it was fun. It was rewarding. It was heartwarming. It was challenging. And it was work. The Plains Indians earned their feathers. As I dipped my tire in the Mississippi River, I felt as if I had earned mine.

directory

**NEW, IMPROVED & UPDATED**

**NEIGHBOR TO NEIGHBOR DIRECTORY IS NOW ONLINE!**

Thanks to the efforts of volunteers Toni Kimball, Deni Buetow, Jessica St. Hilaire, Wayne Hebert, and Elizabeth Waller, our very own "Angie's List" is now live on our web site at [www.meadowwoodfarmsocala.com/neighbor-to-neighbor/](http://www.meadowwoodfarmsocala.com/neighbor-to-neighbor/) . or by going to the main page and clicking on "Neighbor to Neighbor" in the black banner. Over 40 categories of services and service providers are represented, from BUILDING CONTRACTORS to WINDOW WASHING, and you can be confident that at least one of your neighbors has personally nominated each and every business listed. So, whether you are new to the area and trying to make connections, or you are a longtime resident in need of some new type of service, visit Neighbor to Neighbor before looking anywhere else! Don't forget, a number of the businesses listed offer some type of discount to MWF residents, so it's worth your while to start with us.

Of course, the directory is only as good as YOU make it. So, whenever you have a good experience with a local business or individual, please take the time to nominate them for the directory. Just go to the Neighbor to Neighbor page and download the nomination form in either .pdf or Word format. Fill it in, send or email it to the address on the form, and we will do the rest. The more you contribute, the better Neighbor to Neighbor will be. Questions? Contact Elizabeth Waller, [Elizabeth@slowturningfarm.com](mailto:Elizabeth@slowturningfarm.com)

## MWF Pet Rescue

**Please call Stephanie (Stevie) Gordon at 484-802-3786 or**

**Sandy Mollberg 352-861-9622.**

At the MWF POA meeting of May 21<sup>st</sup>, a registry for domestic animals/pets was proposed strictly for the purpose of serving as a reference when an animal is separated from its owner and we are trying to reunite them. This is not intended as a "census" of any type. A registry form should be attached at the back of the newsletter if you receive a hard copy. Since each animal will require a separate form, feel free to make extra copies – or request extra blanks from me or Sandy Mollberg. The form will also be added to the MWF website for easy access.

If getting the form to one of us is inconvenient, give me a call at 484-802-3786 and I will be happy to stop by and pick it up. The form can also be completed, then scanned, and emailed to me at [sgordon4313@gmail.com](mailto:sgordon4313@gmail.com).

Dogs are the most common escapees/wanderers and I would encourage everyone to be sure your dog wears a collar with an identification tag.

Completed forms should be returned to me (26 Carry Back Rd.) or Sandy (7 MeadowWood Dr.) and will be retained in a binder for reference only in the case of need to "rescue" an animal. Please feel free to call me (Stevie Gordon @484-802-3786) or email ([sgordon4313@gmail.com](mailto:sgordon4313@gmail.com)) should you have questions or suggestions.

Here is a comparison of the sales from 1/1/2014 to 6/30/2014 and 1/1/2015 to 6/30/2015 in Meadow Wood Farms according to MLS. The first half of 2014 there were 9 in in MWF ranging from a high o \$300,00 to a low of \$94,349. The first half of 2015 there were 7 sales in MWF ranging from a high \$275,00 to a low of \$172,000.

Please note that 4 out of the 9 sales during the first half of 2014 were lower than the lowest sale price (\$172,000) the first half of 2015. A trend is that the bottom end pricewise has come up considerably. However, the top end has stayed about the same (\$275,000 to \$300,000). Also noted, while some are selling at or close to the listing price, others have had to drop their prices.

## **TEAM MEMBERS AND DONORS NEEDED FOR ALZHEIMER'S WALK**

Last month's newsletter contained an invitation to MWF residents to form a team to participate in this year's Ocala

Walk to End Alzheimer's on Saturday, September 19<sup>th</sup> at 8 a.m. in Tuscawilla Park. Team Captain Elizabeth Waller is still looking for members to join her on the 2.4-mile route to honor and support past, present and future victims of this disease, which will affect one out of three seniors (that's us, folks). Yes, we know it's the same day as Dancing Under the Stars, but what better way to work up an appetite for the fabulous food and get in shape for dancing the night away?

Volunteer team members should contact Elizabeth to be walked through the process of signing up online. Every registered team member who raises \$100 or more will receive an official Walk to End Alzheimer's t-shirt on the day of the walk. Additional incentive prizes are offered for larger fundraising amounts.

If you want to support the cause, but don't have the time or inclination to actually walk, please send a check to Elizabeth, made out to the Alzheimer's Association. Personalized acknowledgement letters will be provided if you wish to donate in honor or memory of someone specific. And, as always, your gift is completely tax-deductible.

So DON'T FORGET to support the treatment, research and PREVENTION of this cruel disease.

Elizabeth Waller, 17 Northern Dancer Dr. 352-895-2471
