PRESIDENT'S MESSAGE: — "Mikey likes it!"

Many of us hate to try something new or different. We are stuck in our ways, or had a bad experience many moons ago and darned if anything or anyone can change our minds. Remember the classic commercial with the three little boys sitting at the table with a bowl of Life cereal? Two of them would push the bowl back and forth telling each other to try it and neither of them would. But they decided to have Mikey try it since he hates everything. Surprise! Mikey liked it and to the other boys astonishment he ate it. Something similar but different happened to me. It didn't involve cereal or three little boys, but it did involve two big boys that have been called "sophmoric" by their wives at times.

One evening sitting around swapping stories and enjoying a barley pop or two, my friend Jim asked if I had ever considered riding a road bicycle. He likes to ride and was looking for someone to ride with and an opportunity to share his enjoyment of riding. Well, while I am open to various forms of exercise; let me say I HATE running, have always HATED running, and only ran when I had to. I don't hate runners, just running. I have never found that "zone" they have talked about and if you are going to run 28 miles there better be something horrible chasing you or at the very least a few brewpubs along the route.

Anyway, back to the bike story. I told Jim I had not, and could not, see myself sitting with that little seat wedged against my backside for endless miles. Now Deb and I have all terrain comfy bikes we like to cruise around the hood on, and in fact some of our early dates were riding along the Boise Greenbelt, because there were brewpubs along the route! We could park in the parking lot of one and ride 4 or 5 miles to the next one, and then after a break, ride back. A perfect outing. Well, one thing lead to another and Jim came by one day with his "spare" bike, the Cannondale. Try it, he says. If you like it fine, if not, well then he would take it back home.

Into the garage the bike went. It sat there for at least a couple of weeks taunting me. Deb and I would go for rides on our comfy bikes and the Cannondale would sit there. Staring at me, sneering, and I could hear it taunting me: "Chicken!", or the haunting wails of; "Ride meee....!" And it sat. Taking up floor space, mocking me. Jim would ask; "Have you tried the bike yet?" Deb would say; "Try it, you might like it." The bike would say; "Ride meeee..". So finally Jim told me he would come by and pick me up and we would could go for a ride around the hood. We did, and 8-ish miles later I was whooped. The bike had won. It beat me fair and square, but I was determined to give it a fair shot. A couple of days later I got back on the bike and pulled back in the driveway with legs about like noodles, but not ready to surrender.

This pattern went on for half of May and part of June, but suddenly I found myself looking forward to riding Cannondale. My mileage

has gone up and I am enjoying the ride. Oh, of course I now have some of those fancy spandex shorts, but I got to tell you the padding is a life saver. Now Cannondale and I are partners. It doesn't mock me anymore. I ended up buying it from Jim; it wasn't right to just keep borrowing it. I'm not trying to ride in the Tour d' France or anything like that, but I found something I enjoy doing in spite of my early reluctance and it's good for me to boot.

Why do I bring all this up? Sitting here waiting for some of you is your Association. Over 200 of you have tried it. But what about the rest of you? Did you have a bad experience at some point in time? If you did that is very unfortunate and we cannot go back and fix the past. But things change, and so do people and attitudes. Try it, you might like it. Heck, Mikey liked Life cereal and Dave liked Cannondale. Might you like the Association? Find out for yourself and come to a meeting. You can then decide whether to join or not, but try it, you just might be surprised and find it can be good for you as well.

Stay safe,

Dave Kane

NEW, IMPROVED & UPDATED

NEIGHBOR TO NEIGHBOR DIRECTORY IS NOW ONLINE!

Our very own "Angie's List" is now live on our web site at www.meadowwoodfarmsocala.com/neighbor-to-neighbor/ . or by going to the main page and clicking on "Neighbor to Neighbor" in the black banner. Over 40 categories of services and service providers are represented, from BUILDING CONTRACTORS to WINDOW WASHING, and you can be confident that at least one of your neighbors has personally nominated each and every business listed. So, whether you are new to the area and trying to make connections, or you are a longtime resident in need of some new type of service, visit Neighbor to Neighbor before looking anywhere else! Don't forget, a number of the businesses listed offer some type of discount to MWF residents, so it's worth your while to start with us.

Of course, the directory is only as good as YOU make it. So, whenever you have a good experience with a local business or individual, please take the time to nominate them for the directory. Just go to the Neighbor to Neighbor page and download the nomination form in either .pdf or Word format. Fill it in, send or email it to the address on the form, and we will do the rest. The more you contribute, the better Neighbor to Neighbor will be. Questions? Contact Elizabeth Waller, Elizabeth@slowturningfarm.com
