Trixie rescued me in the summer of 2014. She was advertised in a couple of local newspapers. Her foster mom could no longer care for her and was looking for another foster home or potential forever home for her. Trixie came from the Boston Terrier rescue in East Tennessee. She was originally adopted by Beauty's Haven Equine Rescue in Morriston, a great place, but Trixie soon proved she would insist on being top dog and grew increasingly intolerant of other dogs. Regretfully Trixie was fostered out and after a few trial attempts to find her a new home, she wound up with the foster mom who, because of illness, could no longer care for her. I answered the ad and the rest is history. It was love at first sight. Trixie is an only "child" with me and that's the way she likes it. I'm okay with that. Yeah, I'm the one who people laugh at because I push Trixie around in a stroller. As for me and Trixie, we don't care. We're so very happy together. Isn't that what really matters? **Elaine**

Will You...?

Dave Kane—President MWFPOA

I always try to update readers on the happenings from the Association Meeting and this month will be no different. However, this month, besides updating you on the meeting and some general happenings in Meadow Wood Farms, I am also going to include a plea for your help for the good of the residents of Meadow Wood Farms. But more on that shortly.

First, it has been decided that weather permitting, we will be rebuilding the park fence on Saturday February 13th, starting at 9:00 in the morning. Lunch will be provided by the Association, as will water. If you want to supervise, feel free to grab some tools, a pair of gloves and pitch in and help. We will have a couple of tractors with buckets there, to pull the old posts, but could probably use a back-up tractor or two. We need posthole diggers since not all the post are properly spaced, shovels, rakes and tampers; as well as battery operated drills and screw drivers as we are going to screw the boards into the posts. Batteries can be recharged in the pavilion. We will also be installing a new 12' gate and plan to set it back about 8' from the fence line so rigs can pull in and not be hanging part way out into the road while unlocking or locking the gate. If it rains we will probably reschedule for the following weekend. Hopefully we'll see you there.

At every Association meeting I ask members to recognize neighbors for their contributions to Meadow Wood Farms. It's always nice to know our neighbors pay attention to the good things we do and will publicly acknowledge it at our meetings. Making its way into the Newsletter is a nice way to further pat our great neighbors on the back. So without further ado, this months tip of the hat goes to....

Lisamarie Lucia was recognized for a couple of things. First, she put together "Thank You" treat baskets for the Meadow Wood Angels. She didn't know who any of them were and contacted Elizabeth Waller to find out how many to make and then had Elizabeth deliver them for her. I've heard from a couple of Angels that the treats were great!

Lisamarie was also acknowledged, along with Jessica St. Hilaire, for their dedicated work on the Newsletter. Yes, this wonderful bit of copy you are holding would not be in your hands if not for their hard work. Lisamarie is the editor and Jessica helps with some of the editing and was also in charge of the Newsletter distribution until recently. She had to give it up recently and now Karen Reade has taken over the distribution side of things.

Continue Pres. Message

All of the positions that go into keeping our Association running are volunteer, where your neighbors give up some of their time to keep things running smoothly. They normally don't take up too much of our lives and speaking for myself, I have felt very honored being elected to the job of President. That being said, I do believe it is time for some new blood in the President's position. Two years as President and one as VP are probably enough. So I will not run for office again and to quote General William Sherman; "If nominated I will not run; if elected I will not serve."

Order! Order! Slowly the applause and cheering dies down and quiet is restored to the masses.)

I bring this up now because in February, according to our By-Laws, we must announce the formation of an Election Committee to seek qualified Board candidates. Article III, Section 2 outlines the duties of the Election Committee. Just because a person currently holds a Board office does not necessarily mean they will run again. None of us have been professional career politicians and really only want to do what we believe is best for all of Meadow Wood Farms.

This is where you come in and can answer my plea for help. We need folks to be part of the Election Committee. We also need folks who are willing to give a little bit of themselves to others by stepping up to the plate and seeking a position on the Board. You will enjoy yourself and meet many of the residents in Meadow Wood Farms. You will certainly help make a difference in MWF. All I would like out of the deal is to be able to stay involved with the Annual Veterans BBQ, but if the incoming president, whoever he or she might be, doesn't want that, it is their call. We have a lot of new residents in the hood, I had only been here for about a year when I became VP and was glad I got involved. So get involved with your Association, I'm sure we will all benefit from your service to Meadow Wood Farms.

HELP! FEBRUARY 13TH @ 9:00 FENCE WORK

Meadow Wood Farms needs your help. **On February 13th** we will be replacing all of the frontal fencing and adding a wider driveway gate at Friendship Park. The Association has purchased the materials, but the labor must come from us. We would love to see you join us to help get this project done in a timely manner. Water and lunch will be provided.

Further, we will be pouring a concrete pad in front of the sheds to facilitate getting the tables and chairs out. This will also be done sometime after we finish the fence.

We will be sending out reminders and further information. Pitch in and lend a hand or two. The more the merrier. This offer is open to members and non-members as the park benefits all of us. You can contact any Board member to add your name to the volunteer list.

CERT Leader needed:

To my friends and neighbors of Meadow Wood Farms. Regretfully I need to step down and turn the reins over to a new Team Leader. Effective after this hurricane season ends. My full time job as a real estate agent has increased and often becomes demanding. With last minute scheduling and deadlines it's become difficult to attend or hold meetings. I'm very proud of what we have accomplished in the last 3 years and look forward to seeing the advancements from our Marion County Sheriff's Department. They will be holding new certification classes in the spring of 2016. We continue to welcome additional members so if you want to become a part of this dedicated group of individuals, please don't hesitate to inquire.

An Open Letter to the Residents of MWF who own pets...

So an offer to “help Sandy” has turned into an almost full time “Occupation”. However, it takes a village—and this one has responded. My heartfelt thanks to the folks in our neighborhood who have cared enough to pay attention to animals out there “on their own” and taken appropriate action. Most calls are concerning dogs and I have hosted several at my home temporarily. Some “repeat offenders” are well known and simply to respective owners. The more worrisome are those with no means of identification - when there is no response to email posts on the MWF site, I have reluctantly turned them over to Animal Control. I do follow up by phone— two dogs are presently for adoption (Traveler and #159489).

Moving forward in 2016—a resident on Lake View Drive has offered to donate a dog kennel for use on my property, which will be greatly appreciated. (It isn’t here yet, so don’t even think about it). This will allow me to confine a dog temporarily in safe surroundings without exposing it to my own animals. There has also been an offer of donations and I will be happy to accept the following types of items:

1. clean throw rugs, towels, or blankets as crate/doghouse liners (old ones that you would otherwise discard)
2. Sturdy food/water bowls
3. Collars/leashes (lead ropes also work well with larger dogs)
4. Dog Kibble

I am not intending to set up an actual “rescue” because I cannot take on the Financial responsibility for healthcare that these animals often need. However, sending a dog away with that Animal Control Truck reduces me to tears— Yes, I would like to save them all! The “good” news is that Marion County Animal Services does not immediately euthanize an animal they pick up unless it is a case of clear aggression, severe illness or injury. It is checked for a microchip, held as a “stray” for 3 days, and then neutered, given immunizations, and “cleaned up”. It is then made available for adoption— the photos are posted on their website, Petfinder, and possibly other rescue sites.

I would like to request that any of you have not completed the registry form for your pet (s), do so in the New Year. That information may assure that you quickly get your pet back if he/she “escapes” at some point— we all say that won’t happen— but unpredictable circumstances do arise.

God Bless Us, Everyone...Stevie Gordon

The Election Committee Wants You!

Did you know once again it's time to put a slate of officers together for our Meadow Wood Farms Property Owners Association? It's that time of year when a few brave souls toss their names into the hat and by a vote of members at the May 19th Association meeting are elected to continue to guide us forward for another year. Have you ever thought about volunteering your time for the Election Committee, Board, or one of our other Committees? It doesn't take up much more time than you are willing to give and it's a wonderful way to give back to Meadow Wood Farms and your neighbors. Studies have shown that giving back helps one feel better about themselves and will actually reduce stress and could increase your lifespan. What are you waiting for? If you are interested, want to live longer, have been thinking about it or have said to yourself: "Hey! I could do that!", give Dave, Bob, Dick, or Leslie a call or shoot us an email and we'll chat with you about it.

Don't forget that all the info you need to contact us, about the Association, duties of officers, meetings and other really important information can be found on our website at: <http://www.meadowwoodfarmsocala.com/>

Thanks to the indefatigable efforts of our online wizard, Wayne Hebert, the Directory has been recently updated to include new or revised listings for APPLIANCE REPAIR, HVAC, HOUSE CLEANING, and POO SERVICES. As always, we are grateful to Wayne for all that he does to keep the Directory useful.

Recently there have been several comments or suggestions posted regarding how the online Neighbor to Neighbor listing could be enhanced or improved:

1. Include comments from customers:

This has always been possible--we include all comments submitted with the original nomination form, and we are happy to update our listings with additional feedback from users. Just email such comments, including (of course) the name of the service provider you used, and we will add them to their listing. Use this email address: mwfnom@gmail.com, or email me directly at elizabeth@slowturningfarm.com

2. Remove providers who have received negative reviews:

While we are hesitant to remove providers after one negative comment (after all, anyone can have a bad day), we will remove any provider for whom we receive two or more negative reviews. For example, we recently removed our only entry under PLUMBING for that reason. Please, if you have a good plumber, submit a nomination!

I hope that this explains a few details that will help make the Directory more useful and user-friendly. Keep nominating your favorite service providers--they WILL get more business, thanks to you!

Remember, the Directory is accessible 24 hours a day from our website, www.mwfpoa.com. Notices about updated listings will appear in the monthly Newsletter at bimonthly Association meetings and will also be announced
