**THE HEAT IS ON!**

Dear neighbors,

As I write this message, summer has just officially begun here in beautiful Marion County. Once again, we can expect to adjust the rhythm of our daily lives by concentrating our outdoor activities in the early morning and late afternoons. It's all part of life in Central Florida, but right now October seems so very far away...

The heat is on in your Association as well. Our goal this year is to increase the pool of potential leadership. We believe that diversity of backgrounds, opinions, and experiences will strengthen and improve the organization.

One step in this direction is to fill each of the three standing committee chair positions that have been vacant for more than three years. Committee work does not require a huge commitment of time, and is usually done only on an as-needed basis. The chair can identify annual goals or not; the committee can meet regularly or infrequently; they can conduct business face-to-face or virtually. Since committee chairs are encouraged to attend Board and Association meetings, committee chairmanship is also a great way to get a close-up look at how the work of the Association is accomplished without having to be a direct participant.

Regarding Association support, each committee is permitted to request up to \$250 per year from the Executive Board, and may take requests for larger amounts to the membership for approval at a general Association meeting.

In upcoming newsletters, we will profile the three vacant chair positions for the Beautification, Control, and Membership committees. In the meantime, feel free to contact any member of the Board with questions. Committee work is easy, fun, and a low-intensity way to step up and do a little bit for your neighborhood.

One small housekeeping note: for the next fiscal year (June 2016-May 2017), we will have Board Meetings only in July, September, November, January, March and May, rather than every month. The Board meetings will take place one week prior to the bimonthly general Association meetings. Of course, the Board reserves the right to call a meeting in "off" months if necessary. Watch your newsletter and the signs at the East and West entrances for all meeting notifications.

In closing, I'd like to thank everyone who has welcomed me back to the position of President. I truly am humbled by your confidence. Let's keep our neighborhood and our Association moving forward—together.

Elizabeth Waller

## **IMPORTANT—Check Your New Voter Registration Card!**

Sometime in June, every registered voter in Marion County received a new Voter Registration card from the Supervisor of Elections. This mailing was necessary due to court-mandated redistricting that affected a number of voters. In our case in Meadow Wood Farms, most of our information remains the same, including our Precinct Number (2600) and our polling location, St. Johns United Methodist Church on Highway 328.

However, it is important to take a close look at the printed card to ensure that your registration information is correct, complete, and up to date. The next election will be held on **Tuesday, August 30<sup>th</sup>**, and once again it is a Closed Primary election. This means that in order to vote for state or local candidates from a particular political party, YOU MUST be registered as a member of that party. Many people were turned away from the Presidential Preference Primary in March because they were not registered as either Republican or Democrat. In general (November) elections, your party affiliation does not matter, but in primaries it is all-important.

So please, check either the card you received in the mail, or call the Supervisor of Elections at **352-620-3290** to verify your party affiliation. Changes in your registration may be made until midnight on **August 1, 2016**. After that, the registration records cannot be changed until after the August 30<sup>th</sup> Primary.

Thanks, and I will see you at the polls!

Elizabeth Waller  
Precinct Clerk  
Precinct 2600

### **VOLUNTEER SPIRIT!**

**If you want to get more involved in your neighborhood and make more friends, we are always looking for volunteer spirited neighbors. Contact any board member to learn about our latest projects and initiatives.**

**ReMEMBER the MEMORY WALKERS!**

This year's team is now forming to raise funds for and take part in the 2016 Ocala Walk to End Alzheimer's on September 10<sup>th</sup> at Tuscawilla Park in Ocala.

To join the team and start raising funds for research into prevention, treatment and cure options, as well as support for patients dealing with this dreadful disease, go to: <http://act.alz.org/ocala> and click on the "Register" button. Then click on "Join a Team" and enter the team name "Meadow Wood Memory Walkers". Then just follow the instructions on the screen to create your registration.

To make a donation to either the entire team or to a specific team member, go to: <http://act.alz.org/ocala> and click on the "Donate" button. You may also give your donation to any team member in person, at any upcoming meeting or MWFPOA event.

Current team members:

- Elizabeth Waller, Team Captain
- Bob Coveney
- Bonnie Coveney
- Pam Hebert
- Wayne Hebert
- Leslie Pope-Hall

It's a grim fact that 1 in 5 of those currently 65 or over will develop Alzheimer's—we MUST find a cure!

Thanks in advance for your help, and please join us on September 10<sup>th</sup> if you can!

### Recycle Your Aluminum Cans

To Benefit MWFPOA Treasury

Two of our neighborhood young ladies have volunteered to take over the collection.

#### Thank you Rachael and Lillian Workman!

The recycle point for your aluminum cans is at the front entrance to the Friendship Park on Lake View Drive East. Barrels are provided for that purpose. Cans that are rinsed, tab tops removed and crushed are our favorites. Tab tops may go to any charity you know or bring them to meetings to go to Shands Juvenile Kidney foundation.

#### ALUMINUM CANS ONLY PLEASE!

*Hi Everyone,*

*Just a small reminder, if you are leaving town for a bit, please let the delivery people know so they don't stuff your newsletters into the tube. Also, when you take a walk to your mailbox, just check to make sure your tube is empty...we are finding a lot of news letter still in the tubes. You can Print it off the Web Site or we can Deliver it or even Mail it to you...*

### My 2014 Summer Bucket List

## AMAZING People...

Two of the really heartwarming things about living here in MWF are the people who volunteer to participate in charitable fundraisers and the even greater number of people who lend their financial support to those people and their causes. A great example of that is BK Sawyer and her nearly 20 year participation in the Race for the Cure, the fight against breast cancer. It is a very personal fight for her and this neighborhood always steps up to help.

A second great example began last year with the Walk to End Alzheimers, championed by Elizabeth Waller. Again, the cause is very personal for her as her college roommate suffers from early onset Alzheimers.

In years past, I too have been the grateful recipient of the support of Meadow Wood Farms as I rode my bicycle in the MS 150, a two day, 150 mile bicycle ride from St. Augustine to Daytona Beach and back. This year, Dave Kane and I have started a team to fight Multiple Sclerosis by riding the distance. We are once again looking for your support. Our team is the Sophmoronics (a reference to our juvenile senses of humor).

**SOPHMORONICS**

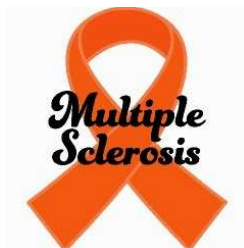

**Cleverly Disguised as Adults**

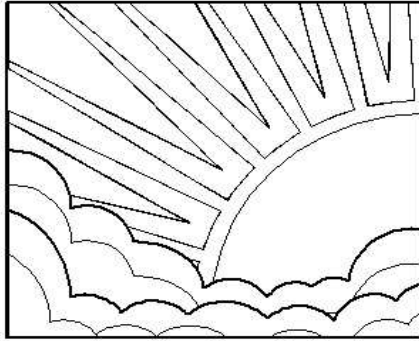

The ride is October 22 and 23. There are two ways you can help. You can join our team, raise funds from your friends and family, and ride with us. If you are a serious rider, or would like to be, join us and start training. Or, if you are not inclined to park your rear end on a bicycle seat for 5 to 6 hours for two consecutive days, you can simply make a donation to the cause on our behalf. Simply go to this website, [http://main.nationalmssociety.org/site/TR/Bike/FLNBikeEvents?pg=entry&fr\\_id=27711](http://main.nationalmssociety.org/site/TR/Bike/FLNBikeEvents?pg=entry&fr_id=27711) click on the donate key and search for either of us individually or our team, Sophmoronics, and make a donation to fight this awful disease and help those who live with it to live better lives. As always, feel free to contact me with any questions.

Thank you MWF. You are the best!

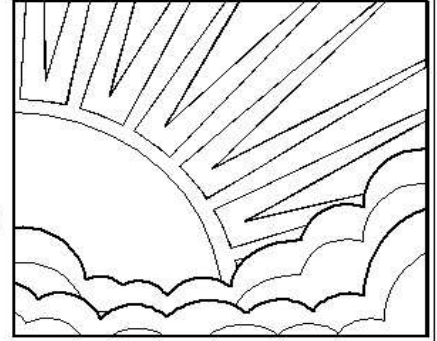

Respectfully submitted,

Jim Bain
