# Thank You!

## Big Thank You to Elaine Hager & Trixie

Progress Report for the Pet "Rescue" committee - let me count the ways...

The kennel stands unoccupied at this time, but it is my "security blanket" when the phone rings. Once again, I feel the need to express amazement and gratitude to the residents of this community.

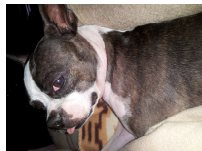

You have supported this effort with encouragement, donations of supplies, labor, time, and kind words.

Aware that there was a monetary deficit in the "account", one resident (with her canine companion, Picture Above) did not hesitate to write a check to cover that amount.

When I am driving or walking the roads in search of an MIA animal, folks stop to help. The responsible and considerate pet owners far outnumber the few who are sometimes not so much.

The community is primarily a collection of caring, thoughtful, and generous people and I'm so happy to be able to call it "home".

Thank you all for your help!  
Stevie Gordon

## **DO YOU FEEL BEAUTIFUL?**

As mentioned in the July newsletter, one of my goals as President of the MWFPOA is to expand our pool of leadership and participation by revitalizing the three standing committees that have been without a chair for several years.

I am very grateful to report that we have already had someone step forward to assume the chair of the MEMBERSHIP committee. Linda Lemisch, who lives with her husband Tony and assorted animal companions on Wood Ridge Drive, has volunteered to take charge of recruiting new members for the Association. She will work closely with both Dick Woodrome, our Treasurer, and Della Brock, the chair of the Welcome Committee, to identify new residents and introduce them to the myriad joys and benefits of becoming a POA member. Linda remembers with great fondness the day her own Welcome Basket was delivered two years ago. She also, along with the Executive Board, feels strongly that we can improve on the percentage of residents who choose to join and participate in the activities and responsibilities inherent in maintaining a healthy neighborhood.

The next committee opening is for the “BEAUTIFICATION AND PARK” standing committee. The by-laws don’t actually outline the duties of this group, but in the past it was involved primarily in the landscaping and maintenance of the East and West front entrances. This was a frustrating enterprise due to our lack of access to water to enable us to appropriately care for new plantings. In response, the Association redesigned the entrances to allow for water-free maintenance and a tidy appearance. The entrances are thus relatively effort-free, with the notable exception of the wonderful holiday decorations provided by residents Stan and Nancy Kostoff.

However, beautification of our community is not limited to the entrances alone. For one thing, the name of the committee is “Beautification and Park”. The Park is currently maintained primarily by the Maintenance Task Force, but they usually confine their efforts to the pavilion structure. When there is an Association event to be held at the pavilion, a general call goes out to the neighborhood to pick up sticks, rake leaves, and clean the sidewalks. Other than that, the Park is pretty neglected. A motivated Beautification Committee could certainly explore ways to make the Park more attractive—remembering, as always, that there is no water available on site.

**Continue on Next Page...**

Another activity that really cries out to be managed by a Beautification Committee is a regularly scheduled community Cleanup day. Litter does accumulate on the roadside, but experience has shown that the entire community can be efficiently policed in only a few hours as long as someone steps forward to organize the date and recruit the volunteers. It makes a huge difference, but so far no one has accepted the responsibility for maintaining a regular schedule.

There are lots of other opportunities for an enterprising Beautification committee to help promote a feeling of pride in MWF ownership. It is my understanding that there used to be a competition in the neighborhood for the best holiday lighting display, with prizes provided by the Association. And what about a competition for best farm sign? If you are *feeling beautiful*, please let the Executive Board know, or call me at 352-304-8871. We need you!

Elizabeth Waller

President, MWFPOA

**Meadow Wood Farms – 30 MPH All Roads / Have a Nice Day**

As a member of the board of directors for the MWFPOA I would have to say that speeding is perhaps the most common complaint within our community. We have received suggestions from owners about speed bumps, more stop signs, and having additional speed limit signs throughout the community.

I am relatively a newcomer to the board but other members say this has been a problem for as long as they can remember and has been addressed numerous times. Stop signs are not intended, nor function effectively for speed control. Speed bumps are unsightly, cause discomfort for people with certain medical conditions, and have a long list of undesirable effects. We've been informed that the existing signage is adequate. Besides, having speed signs on every block would detract from the beauty of our community. We have received additional law enforcement efforts and I'm told there were a number of drivers who were ticketed for both speeding, seatbelt, and stop sign violations. The stepped up enforcement hasn't resolved the speeding problem.

I personally make it a habit of adhering to the speed limit (within this development). And that part of the sentence "within the development" is what got me thinking about what we can do to help with this problem. It got me thinking "why am I willing to somewhat push my luck elsewhere but strictly follow the speed limit within our community"? I realized that it isn't respect for the law, nor the threat of receiving an expensive ticket which influences my driving habits. It is out of respect for my neighbors and our beautiful community that I ease the pressure off that accelerator when I enter Meadow Wood Farms.

With this in mind I petitioned our board for the purchase of the new signs now hanging at our entrances. As you leave they wish you to "Have a nice Day". It is my hope that as you return they serve as a reminder that we, as a community, all benefit when we are considerate of the safety and well-being of our neighbors.

*Special thanks to Wayne Hebert for help in the design and acquisition of these signs.*

## Recycle Your Aluminum Cans

To Benefit MWFPOA Treasury

Two of our neighborhood young ladies have volunteered to take over the collection.

### Thank you Rachael and Lillian Workman!

The recycle point for your aluminum cans is at the front entrance to the Friendship Park on Lake View Drive East. Barrels are provided for that purpose. Cans that are rinsed, tab tops removed and crushed are our favorites. Tab tops may go to any charity you know or bring them to meetings to go to Shands Juvenile Kidney foundation.

### ALUMINUM CANS ONLY PLEASE!

*Hi Everyone,*

*Just a small reminder, if you are leaving town for a bit, please let the delivery people know so they don't stuff your newsletters into the tube. Also, when you take a walk to your mailbox, just check to make sure your tube is empty...we are finding a lot of news letter still in the tubes. You can Print it off the Web Site or we can Deliver it or even Mail it to you...*

*Thank you, Newsletter Staff*

**NEWS YOU CAN USE—ELECTION INFORMATION**

As election years go, I think everyone can agree that this one is a doozy. Our next opportunity to let our voices be heard is on Tuesday, August 30<sup>th</sup>, when the State of Florida will hold a congressional primary. A number of local offices will also appear on the ballot in primary contests.

Remember, Florida is a CLOSED PRIMARY STATE. This means that voters may only cast ballots for the party they are registered for. In a General Election, you may vote for anyone on the ballot regardless of party, but for this August election, you must have a party affiliation on file to help decide who the November candidates will be. If you are at all unsure about your party affiliation, you may check and update your registration online ([www.votemarion.com](http://www.votemarion.com)). However, all changes to your registration must be made by August 1, 2016, to be in effect for the August 30 primary. **\*\*Special note for August 30 primary: because no Democrat has filed to run for the District 22 Florida House of Representatives seat, the two Republican candidates will appear on ALL ballots and this contest will serve as the general election in this one case. All other contests on your ballot will be party-specific.\*\***

If you prefer to vote by mail (formerly known as absentee voting), you may request to receive a mail ballot at any time by going in person to the Elections Office, calling by phone, or going online. Vote by mail ballots should be returned in the U.S. Mail by August 23 to ensure they will be counted.

Early voting will also be available at a number of sites throughout the county between August 20 and 27.

The polls will be open on Election Day from 7:00 a.m. to 7:00 p.m. If you live within Meadow Wood Farms, your polling place is at St. Johns United Methodist Church on Highway 328.

Please do remember to vote. This year the Primary will determine November candidates for the U.S. Senate, House of Representatives, Florida Senate and Florida House. Make sure the candidate of your choice for your party appears on the General Election ballot.

**Elizabeth Waller, Precinct Clerk, #2600**

**Message from a past Prez**

First, I would like to thank all of Meadow Wood Farms and especially the Board for the above four tumblers. As you can see, each has “MWFPOA” engraved on them. I also received a bottle of a fine adult beverage, which I have no doubt will be put to good use. I really appreciate your thoughtfulness and your trust in me as your Association President for the past two years.

In other news! This years Veteran’s BBQ and Chili Cook-Off is scheduled for Saturday, November 12 from 3:00 pm until 6:00 pm. Bob Coveney, Vice President and a Veteran himself, made a suggestion, which was supported by those attending the July 21<sup>st</sup> Association meeting. His suggestion was we also include current and retired First Responders in our event. So, not only will Veterans eat for free, but First Responders as well. Since there many of us living in MWF, we hope to see you all at this event. Anyone interested in helping please let me know. Once again I’ll be the ramrod on this event and can use all the help I can get. You can get in touch with me by email at: [dck945@yahoo.com](mailto:dck945@yahoo.com)

Lastly, I would like to thank Lisamarie and Toni Kimball for their gracious donations to the Bike MS Ride Jim Bain and I am taking part in this October. If you are interested in donating, you can visit either my page which can be found at: <http://main.nationalmssociety.org/goto/TeamSophmoronic-Dave> , or our Team page located at: [http://main.nationalmssociety.org/site/TR/Bike/FLNBikeEvents?pg=team&fr\\_id=27711&team\\_id=488661](http://main.nationalmssociety.org/site/TR/Bike/FLNBikeEvents?pg=team&fr_id=27711&team_id=488661)

Thank you all,  
Dave Kane

**IMPORTANT REMINDER—CONTRACTOR SIGNS**

The Meadow Wood Farms Property Owners Association By-Laws, Article IV, Section 1.3 (g) states that:

*“All contractor/work signs shall be approved and must be removed at the conclusion of the said work being performed”.*

Please keep our community attractive by removing signs advertising work by tree companies, roofing companies, fencing companies, etc. after they have (hopefully successfully!) completed the work they are doing for you. They deserve credit, but not forever. Thanks!

## AMAZING People...

Two of the really heartwarming things about living here in MWF are the people who volunteer to participate in charitable fundraisers and the even greater number of people who lend their financial support to those people and their causes. A great example of that is BK Sawyer and her nearly 20 year participation in the Race for the Cure, the fight against breast cancer. It is a very personal fight for her and this neighborhood always steps up to help.

A second great example began last year with the Walk to End Alzheimers, championed by Elizabeth Waller. Again, the cause is very personal for her as her college roommate suffers from early onset Alzheimers.

In years past, I too have been the grateful recipient of the support of Meadow Wood Farms as I rode my bicycle in the MS 150, a two day, 150 mile bicycle ride from St. Augustine to Daytona Beach and back. This year, Dave Kane and I have started a team to fight Multiple Sclerosis by riding the distance. We are once again looking for your support. Our team is the Sophmoronics (a reference to our juvenile senses of humor).

**SOPHMORONICS**

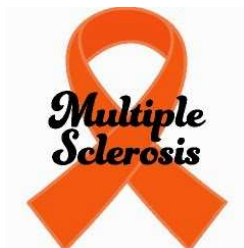

**Cleverly Disguised as Adults**

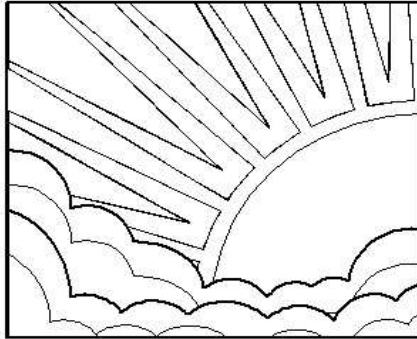

The ride is October 22 and 23. There are two ways you can help. You can join our team, raise funds from your friends and family, and ride with us. If you are a serious rider, or would like to be, join us and start training. Or, if you are not inclined to park your rear end on a bicycle seat for 5 to 6 hours for two consecutive days, you can simply make a donation to the cause on our behalf. Simply go to this website, [http://main.nationalmssociety.org/site/TR/Bike/FLNBikeEvents?pg=entry&fr\\_id=27711](http://main.nationalmssociety.org/site/TR/Bike/FLNBikeEvents?pg=entry&fr_id=27711) click on the donate key and search for either of us individually or our team, Sophmoronics, and make a donation to fight this awful disease and help those who live with it to live better lives. As always, feel free to contact me with any questions.

Thank you MWF. You are the best!

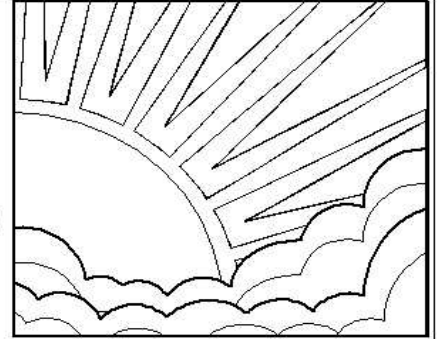

Respectfully submitted,

Jim Bain
