GRATITUDE

For various reasons, I have been feeling very grateful lately. Sometimes it's just for waking up on the right side of the ground. Sometimes it's for my incredible friends and family, both in MWF and elsewhere in the world. Sometimes it's for my fur family and their endless ability to make me laugh and give me joy. Sometimes it's for reasons too personal to share here 😊

Lately it has also been for the handful of MWF residents who have stepped up or spoken up regarding things they have questions or concerns about. The fact that people are paying attention to what goes on in the neighborhood is a GOOD thing.

As President, I welcome your input on matters large and small. I may not ultimately be able to solve your problem for a whole variety of reasons, but I always learn from the research I do on your behalf. This month, I discovered whom to call when a street sign falls down or a tree is blocking the road (Marion County Road Maintenance Customer Service Center, 352-671-8686). I also became familiar with the Marion County Solid Waste ordinance that spells out the allowed hours of collection (5:30 a.m. to 7:00 p.m.) and whom to notify when there is a violation of that ordinance (Solid Waste Division, 352-671-8465).

In the past, I have been enlightened about the difference between a manufactured home and a mobile home. I have become more knowledgeable about speed limit signage and speed bumps, shooting in residential neighborhoods, and animal control regulations.

I have learned all of these things, and many more, because somewhere along the line, a resident asked me about them. Granted, sometimes there was an emotional aspect attached to their inquiry, but inevitably we always seemed to end up learning more than we knew in the first place. Notice that I said "resident", and not "member". In my personal opinion, responding in a helpful way to questions and concerns from all of our neighbors is one of the best ways for me to confirm and demonstrate the benefits of Association membership—a fact that I usually reinforce before the end of our interaction.

So, keep the questions, concerns and complaints coming, so that I can continue to be grateful for the opportunity to learn and grow every day (until May 30, 2017)!

Elizabeth Waller
President, MWFPOA

Meadow Wood Farms – 30 MPH All Roads / Have a Nice Day

As a member of the board of directors for the MWFPOA I would have to say that speeding is perhaps the most common complaint within our community. We have received suggestions from owners about speed bumps, more stop signs, and having additional speed limit signs throughout the community.

I am relatively a newcomer to the board but other members say this has been a problem for as long as they can remember and has been addressed numerous times. Stop signs are not intended, nor function effectively for speed control. Speed bumps are unsightly, cause discomfort for people with certain medical conditions, and have a long list of undesirable effects. We’ve been informed that the existing signage is adequate. Besides, having speed signs on every block would detract from the beauty of our community. We have received additional law enforcement efforts and I’m told there were a number of drivers who were ticketed for both speeding, seatbelt, and stop sign violations. The stepped up enforcement hasn’t resolved the speeding problem.

I personally make it a habit of adhering to the speed limit (within this development). And that part of the sentence “within the development” is what got me thinking about what we can do to help with this problem. It got me thinking “why am I willing to somewhat push my luck elsewhere but strictly follow the speed limit within our community”? I realized that it isn’t respect for the law, nor the threat of receiving an expensive ticket which influences my driving habits. It is out of respect for my neighbors and our beautiful community that I ease the pressure off that accelerator when I enter Meadow Wood Farms.

With this in mind I petitioned our board for the purchase of the new signs now hanging at our entrances. As you leave they wish you to “Have a nice Day”. It is my hope that as you return they serve as a reminder that we, as a community, all benefit when we are considerate of the safety and well-being of our neighbors.

Special thanks to Wayne Hebert for help in the design and acquisition of these signs.

Recycle Your Aluminum Cans

To Benefit MWFPOA Treasury

Two of our neighborhood young ladies have volunteered to take over the collection.

Thank you Rachael and Lillian Workman!

The recycle point for your aluminum cans is at the front entrance to the Friendship Park on Lake View Drive East. Barrels are provided for that purpose. Cans that are rinsed, tab tops removed and crushed are our favorites. Tab tops may go to any charity you know or bring them to meetings to go to Shands Juvenile Kidney foundation.

ALUMINUM CANS ONLY PLEASE!

Hi Everyone,

Just a small reminder, if you are leaving town for a bit, please let the delivery people know so they don't stuff your newsletters into the tube. Also, when you take a walk to your mailbox, just check to make sure your tube is empty...we are finding a lot of news letter still in the tubes. You can Print it off the Web Site or we can Deliver it or even Mail it to you...

Thank you, Newsletter Staff

Let's Write

One day my teacher asked me to

Write a paragraph or two.

I said, "I don't know what to do,"

She said, "Now, think!" I did – ideas grew.

I organized some silly things,

But then they seemed to grow some wings.

Like clouds, they turned and curved.

More and more, ideas swerved.

From my brain I let it tower –

Gave me lots of writing power!

And, wow! that paragraph was written –

And with me, my teacher smitten.

I'll never be afraid again

NEW HORSE SHOW SERIES

This is a first rate facility under new ownership and they are inviting the public to come and participate and enjoy a show series that has something for everyone. The class list includes Halter, Showmanship, Western, English, Hunters and Trail for youth and adult riders. Haul-ins are welcome and day or overnight stalls are available. Boxed lunches are available and a BBQ is scheduled after the last class finishes. Show dates are September 3rd, October 1st, November 5th, and December 3rd. The Dressage Show Series starts on October 9th, with haul-ins and schooling welcome on the 8th.

For more information, go to <https://www.facebook.com/OcalaEquestrianShowSeries/> or contact Debra Kane, 8 Nashua Way, (541)771-6983 for a prize list, entry form, questions, comments or... whatever. :) I met with owner Elizabeth Pizzonia, and this facility SO AWESOME, the indoor arena, footing and other amenities are too many to list, seriously... go to the facebook page and check it out, and share this info with your friends. If you can't make any of the shows, at the very least stop by and see the facility on any show date. Hope to see you there.

HOUSE NUMBERS MWF Toni Kimball

As I drove through some of MWF recently, I noticed that there are still many homes with no noticeable identifying numbers on them. Just a reminder that if EMS has to locate your abode, it will be difficult for them to do so. Please be considerate of your health! And of someone who might be trying to help you.

To Order an Address Marker Sign for just \$8.00, visit our MWFPOA web site and click on the sign photo in the right hand margin.

A NOTE FROM MWF PARTY COMMITTEE

HELLO NEIGHBORS,

We are at it again—prepping for the 10th annual Dancing Under the Stars event.

There have been a number of new residents locating in MWF and we would like for them to know what a fun filled evening this event provides.

Our premier event each year is a great dinner, music, dancing and entertainment. Speaking of entertainment, we have had visits from Mamma Mia, Sister Sledge, a police escorted Blues Brothers, Sonny & Cher, and even the gang from Hee Haw. There have been tributes to the 40's, 50's & 60's as well, but this year is going to be another *fantastic surprise!* If you have never attended Dancing Under the Stars here is another opportunity. You don't need a "date" nor do you have to "dance"! Just come for great food, fun and laughs with neighbors and friends. We will even reserve a table for you if you want to bring a number of friends!

Come experience for yourself what a great bargain this event is right in our own beautiful Friendship Park. See the flier in the Newsletter for details and watch for messages on Meadowwoodfarms1@aol.com. We'll be looking for you Saturday, October 8th!
