Not for Sissies

No, I'm not talking about presidential politics—although this year is certainly demonstrating how tough minded (or insane) our national politicians have to be to last out an entire election season.

No, I am talking about the simple truths of getting older. It seems to me that there are a number of things that someone forgot to mention to me when I was in my twenties and thirties. Or maybe I wasn't listening. At least back then I would have been able to hear them clearly, as opposed to now, when I sometimes nod and smile vaguely and hope that I have not just agreed to something totally outrageous simply because my hearing has been impaired by too many years of rock and roll.

For example, why did nobody mention that my body would adopt this punitive and unreasonable attitude that I should actually have to PAY for any and all overindulgences? What happened to "bouncing back" after a bit too many adult beverages, or a night of less than eight hours of sleep, or even a stint of moderately strenuous exercise? What's with this "recovery period" baloney—it's a nasty trick to play on a person, if you ask me.

And whose idea was it to make learning things HARDER as you get older? Aren't you supposed to get BETTER with practice? Why didn't anyone warn me that the time would come when any new piece of information added to my brain would push another piece out the back door? If I had known that the capacity of my gray matter was limited, I would have been a lot more careful about what I put in there in the first place!

And another thing... back when I was yearning for time to pass more quickly, when the summer school vacation seemed to stretch out forever before me, when I couldn't wait to be out on my own, WHY didn't anyone think to tell me to slow down and enjoy my life as it was passing? Now it all goes by in a blur, with days that are too short, months that pass so quickly I can hardly remember what season I am in, and years that speed up like a toboggan careening down an icy hill. I hardly have time to anticipate something before it shows up in my rear view mirror.

But one part of aging is better than I expected. Nobody explained how comforting it is to know that all things will pass. The perspective that I have gained simply by living my life through all of its pains and pleasures has given me peace, humor, and stamina. This same perspective has also allowed me to appreciate where I am at this point in my life and to accept and appreciate others and THEIR perspectives. I am grateful, as I have said before, for this neighborhood and the amazing advantages it has offered me in terms of friendship, community spirit, and material comfort. I expect that gratitude to only increase, even though it is HARD to live together harmoniously all the time. But as I experience the other "gifts" of aging (hopefully gracefully), I am confident that living in MWF will continue to be one of my most precious and appreciated life experiences. Join me, for just a moment, in being thankful for our beautiful homes, our friendly neighbors, our (mostly) spectacular weather, all here to be enjoyed as part of our growing (older) together.

Sentimentally yours,

Elizabeth Waller

The 2016 3rd Annual Veteran's BBQ and Chili Cook-Off!

If you are interested in helping me with the tickets, or organizing the Chili Cook-Off, please contact me. As many of you know, I can use all the help I can get. If you have an idea on how to make the event even better, I'd love to hear your ideas.

This year's premier *family* event, the 3rd Annual Veteran's BBQ and Chili Cook-Off is scheduled for Saturday afternoon, November 12 from 3:00 pm until 6:00 pm. *(See flyer elsewhere in Newsletter)* Once again we have requested the vintage military vehicles be present to help honor our veterans. We are doing things a little different this year. Not only are our Veterans and Active Service Members being honored, but we are also honoring our First Responders, past and present.

All of those being honored get a complementary meal to thank them for their service and for helping keep America and the communities they have served safe. Meals for others are only \$5 each. Bring your children or grandchildren so they can see the vehicles and learn a little history from those who have served.

It is important we get a count of those attending so we can plan for the main course of the meal. This year we are going to provide pulled pork as our main course, with buns and water and iced tea. Once again we are asking our wonderful neighborhood cooks to contribute something, either a side dish or a dessert to help make the event another great success. To obtain your tickets, please contact me directly at 509-7754, or by email and I'll bring them to you. You can also pick them up at line dancing on Monday or Thursday. Last year we had almost 80 folks attend and I know Meadow Wood Farms families can match that this year.

Greetings from the MWFPOA Party Committee:

Oh what a night!! Our MWFPOA 10th Dancing Under the Stars (DUTS) “*Feathers & Follies*” was a hoot! The weather was perfect, the park and pavilion were unharmed by Matthew’s passing and it provided an especially fun night for all, couldn’t ask for any better!

There was dinner to start, fine music by Timeless Tunes, lots of door prizes, but best of all--- our dancers from Paris: Babbette, Claudette, & Suzette (aka) Jim Bain, Dave Kane & Tony Lemisch. Boy could they shake it up! That was quite an act, you guys are the greatest! You’ll be hearing from the talent scouts soon!

The Party Committee is grateful for the ongoing support of our neighbors who come to this event, many have been to all 10. The goal for MWFPOA and its Party Committee is to unite our neighbors for an evening of fun and good humor plus an opportunity for any new neighbors to enjoy meeting and making friends. YOU make all the prep and effort worth it when we see you having a good time! In addition, we especially want to thank all who helped with the set-up and clean-up at these events, we couldn’t do it without you! We hope to see you and many more of our neighbors at DUTS next fall.

Have a wonderful holiday season (that is all too rapidly approaching) and with best wishes from the MWFPOA Party Committee:
 Connie Story, Sandy Mollberg, Pam Hebert & Linda Lemisch

Recycle Your Aluminum Cans

To Benefit MWFPOA Treasury

Two of our neighborhood young ladies have volunteered to take over the collection.

Thank you Rachael and Lillian Workman!

The recycle point for your aluminum cans is at the front entrance to the Friendship Park on Lake View Drive East. Barrels are provided for that purpose. Cans that are rinsed, tab tops removed and crushed are our favorites. Tab tops may go to any charity you know or bring them to meetings to go to Shands Juvenile Kidney foundation.

ALUMINUM CANS ONLY PLEASE!

Hi Everyone,

Just a small reminder, if you are leaving town for a bit, please let the delivery people know so they don't stuff your newsletters into the tube. Also, when you take a walk to your mailbox, just check to make sure your tube is empty...we are finding a lot of news letter still in the tubes. You can Print it off the Web Site or we can Deliver it or even Mail it to you...

Thank you, Newsletter Staff

Thank You Newsletter Delivery People

A volunteer group of your neighbors delivers your newsletter every month . This saves the association considerable mailing expense and ensures that you get your newsletter in a timely manner.

A BIG Thank You to all our generous members who contribute delicious goodies to our meetings making them more festive and social.

Meadow Wood Farms – 30 MPH All Roads / Have a Nice Day

As a member of the board of directors for the MWFPOA I would have to say that speeding is perhaps the most common complaint within our community.

We have received suggestions from owners about speed bumps, more stop signs, and having additional speed limit signs throughout the community.

I personally make it a habit of adhering to the speed limit (within this development). And that part of the sentence “within the development” is what got me thinking about what we can do to help with this problem. It got me thinking “why am I willing to somewhat push my luck elsewhere but strictly follow the speed limit within our community”? I realized that it isn’t respect for the law, nor the threat of receiving an expensive ticket which influences my driving habits. It is out of respect for my neighbors and our beautiful community that I ease the pressure off that accelerator when I enter Meadow Wood Farms.

With this in mind I petitioned our board for the purchase of the new signs now hanging at our entrances. As you leave they wish you to “Have a nice Day”. It is my hope that as you return they serve as a reminder that we, as a community, all benefit when we are considerate of the safety and well-being of our neighbors.

Special thanks to Wayne Hebert for help in the design and acquisition of these signs.

Please also remember the Students that are walking home between 2:30–4:30 pm.

For those of you who use the recycling cans, they are now located inside the fence on the right hand side of the drive as you enter the park. There is an opening allowing easy access for folks to walk into the park on that side of the drive as well. This looks much neater than having the cans sitting next to the road, yet they are still accessible. Now you can drive into the driveway, park and walk into the opening to leave your recycling cans or just reach over the fence. Thank you...
