ASSOCIATION INFORMATION

PRESIDENT'S MESSAGE:

“ I thought it would be nice this month, to get to know the members of the Board. This month, our Vice President, Heidi Boynton, will tell you a little about herself. Best always, Leslie”

Hi, neighbors!

I'm the newest of the board members to Meadow Wood Farms (I moved here in January, 2017). I fell in love with the Ocala area several years ago on a trip to Key West. When I had the chance to move here, I jumped on it.

There are so many things I love about living in Ocala – the rolling hills, the beautiful ranches, and the fact that we have a lot of city conveniences without being in a huge metropolitan area. Closer to home, I appreciate that Meadow Wood Farms is close to town but still far enough to feel like we are in the country, everyone waves when I'm out walking my dogs, and living in our neighborhood feels like being part of a family.

Like any family, we have our wonderful moments (as anyone who attended our last Meet 'n' Greet can attest) as well as our challenges. I am grateful for our meadowwoodfarms1@aol.com shared email; what a great way to exchange information, buy or sell something, or announce upcoming events. However, so often we use the email to express frustrations with our community. I would love to see us find a different approach to work on solutions for some of these issues.

As a reminder, we have our control committee. If you find that someone in the neighborhood is not in compliance with our deed restrictions, you can find the Deed Restriction Complaint Form in the Resources section of our website. Simply print and complete the form and mail it to the address at the top of the form. The control committee will review your complaint and take appropriate action.

If you have an issue that does not fall under the scope of the control committee, I invite you to attend an association meeting. Our next meeting is Thursday, September 21. With so many great minds in one place at one time for the common good of the neighborhood, we certainly have a better chance of brainstorming to find a solution for some of these problems.

I hope to be in my house for the rest of my life – along with my sis, my dad, and my dogs. I have my vegetable garden beds ready for next spring, fruit trees planted and my chicken coop built. And, of course, all my wonderful Meadow Wood Farms family. See you in the neighborhood! Heidi

Welcome To Our New Residents

No new residents this month to introduce.

Membership & Newsletter

The newsletter is ALSO available in color on the website. www.mwfpoa.com

The current **membership** year runs from June to the end of May the next year. Please renew your membership ASAP. Your membership supports the monthly Newsletter along with a multitude of events and improvements to our community. We need all of you to participate in keeping Meadow Wood Farms the wonderful place to live that we enjoy. Finally, don't forget that as a member you have a voice and a vote and are encouraged to participate in all aspects of the Association.

Need to check if you've paid? Contact Dick Woodrome at 861-2364 or email him at rdw218w@aol.com. You can have the good feeling that comes from being an involved and contributing member of your community.

The NEWSLETTER will be delivered to everyone in MWF who requested it. Mailing tubes have been attached to your mailbox stand in order to make these deliveries legal in the eyes of the USPS. If you're not getting one and/or need a tube, contact **Dick Woodrome at 861-2364 or email him at rdw218w@aol.com**

****NOTICE: Residents who summer outside of Meadow Wood Farms please advise Dick Woodrome to update your subscription from home delivery to the mailing list.****

THANK YOU NEWSLETTER DELIVERY PEOPLE!

A volunteer group of your neighbors delivers your newsletter every month. This saves the association considerable mailing expense and ensures that you get your newsletter in a timely manner.

Also

Thank you to our generous members who contribute delicious goodies to our meetings making them more festive and social.

Recycle Your Aluminum Cans

A Portion to Benefit MWFPOA Treasury

Thank you Rachael and Lillian Workman!

The recycle point for your aluminum cans is at the front entrance to the Friendship Park on Lake View Drive East. Barrels are provided for that purpose. Cans that are rinsed, tab tops removed and crushed are our favorites. Tab tops may go to any charity you know or bring them to meetings to go to Shands Juvenile Kidney foundation.

ALUMINUM CANS ONLY PLEASE!

Come to the Meeting and Win \$75

The 'It Pays to Come to Meetings' jackpot is up to \$75. A drawing will be held at the next MWFPOA General Meeting for \$75.00, adding \$25 each meeting until a name of a present resident is drawn. **It REALLY pays to come to the meetings.**

Do you know of a Meadow Wood Farms neighbor in need? The Meadow Wood Farms Angels is a group of anonymous volunteers who are ready to help with those small, one-time projects that our neighbors cannot do by themselves by reason of age, illness, disability, or lack of funds.

To submit a request for assistance, email: MWFAn-gels@gmail.com or call Elizabeth Waller. The Angels will contact you and obtain additional information in order to evaluate the request.

LOOK FOR THESE UP COMING FUND RAISERS

Walk to End Alzheimer's 2017

Team: Meadow Wood Memory Walkers, Team Captain: Elizabeth Waller

This year's Ocala Walk will be held Saturday, October 21st at Tuscawilla Park. The walk is only 2.5 miles, but the benefits are immeasurable. Please join our team or donate to one of our team members to help raise funds for research and support to fight the only major disease that has no treatment, no vaccine, and no cure. Contact Elizabeth Waller at elizabeth@slowturningfarm.com for more information.

MS Cycle to the Shore—Jim Bain MWF leader

This 160 mile ride, scheduled October 14th-15th, is from St. Augustine to Daytona and back . MWF has a team of 5-6 neighbors. There have been 2500 participants in the past. A good portion of money goes to people who already have MS to help them cope with the disease by providing wheelchair ramps, scholarships, etc.

BK'S Fight for the Cure

After her initial bout with cancer, our neighbor BK Sawyer participated in the first Suncoast Susan G. Komen 5K Race for the Cure to combat the disease. That was in 1999 and since that time she has had several additional episodes with cancer, but still has been involved in every race collecting a large amount of contributions and garnering much recognition and awards for her tireless work for the cause.

This year's race, the Nineteenth Annual, will be the Saturday, October 7th. Unfortunately the fight is not over. If you can help with a donation please make your check out to Susan G Komen Race for the Cure and mail it to her at 13 Lookout Lane, Ocala, FL 34482. With your help we will find the cure.....

Control Committee Community Matters

Greetings from your friendly neighborhood Control Committee!

We are pleased that members of the community are being so diligent with caring for their properties. Many of us chose to include mowing and weed eating the county owned areas in front of our homes to help keep the neighborhood looking its best. A huge thanks goes to those who also mow the road sides of the adjoining undeveloped properties! When walking without having sidewalks, it is much more pleasant to be able to step off the road when cars approach on to nice short grass instead of knee high weeds.

The Control Committee has received a few phone calls regarding interpretation of the Deed Restrictions and By-laws. This is a promising indication that people are interested in complying with the rules that govern our community. Our neighborhood newsletter, along with our website, provides the Committee members contact information.

There have also been some calls regarding signs posted around the neighborhood. Real estate signs are only permitted on the property that is for sale or rent. Real estate directional signs to the property are not permitted. The Control Committee has made several calls to rectify improper signage around the neighborhood. The Control Committee makes every attempt to contact the owners of the signs by calling the numbers on the signs. We request that they remove their signs within a reasonable time frame. If the signs are outdated or no longer wanted, the Control Committee will remove them. Thanks goes to our concerned citizens who have assisted in removing some of them.

Stay tuned for more in depth information regarding signage in the next newsletter.

Happy Trails,

Elaine Hager, Control Committee Chair

Dear Equine Community,

Farm Management Agent I
Marion County/ UF IFAS Extension Services
2232 NE Jacksonville Rd, Ocala, FL

Hello, I would like to introduce myself, Caitlin Bainum. I am a recent University of Florida Equine Science graduate, and the new Marion County Farm Management Extension Agent.

My role is to make it all about you and how I may be able to assist in many of the aspects of farm management such as productive manure management, grazing strategies, stocking rates, and pasture management

As equine owners in "Horse Capital of the World", it is up to us to utilize Best Management Practices for reducing our ecological footprint. The upfront need for Marion County is preservation of our springs. We are home to some of the largest spring fed water sources in the country and they are in extreme jeopardy due to intense Nitrogen loading, owed in part to agricultural practices.

Many of you may have known my predecessor, Jamie Cohen; I am looking forward to continuing her progress in all areas to preserve the quality and longevity of our resources so vital to our quality of life here in Marion County.

My ultimate goal is to be the best means of information possible for you. There are some unique funding opportunities coming available for the equine community in Marion County to improve farm management in alignment with Best Management Practices and I would love to see if these programs could benefit your operation

Considering I am new to the area I could benefit from learning from you and what challenges you may face. Can we schedule a chat soon and get to know each other? As a horse owner myself, I would enjoy visiting your farm and having a hands on experience.

Looking forward to your reply.

Best, Caitlin Bain (352) 671-8400 cbainum@ufl.edu

There is a very clever and talented Interior Designer and Decorator living in MWF. Suzanne Rice is a Licensed Interior Designer and Decorator. She moved to MWF 9 years ago and is living in the beautiful house she designed and built.

Suzanne has had a very busy and rewarding life, living to the fullest. Born and raised in Ontario, Canada, she graduated from high school and a year later got her college degree in Economics and Child Psychology. Interior Design was not her choice at that time. She found that Economics was okay as she liked Math, but Child Psychology was not to her liking. She loved traveling, so she decided to take some time and see the sights. For 5 years she hitch hiked (it was safe then) around the countries, doing odd jobs and enjoying herself. During the time she was traveling, she developed an interest in Architecture and furniture design. A decision was made to become a Licensed Interior Designer and Decorator. After completing 4 years of college and 2 years of internships, she received her license and became an Interior Designer and Decorator for residential and commercial properties. Shortly after that, Suzanne passed her Building Contractors exam, which allowed her to work alongside an Architect and make recommendations as needed. One interesting point she told us, was that to be an Interior Designer no education is needed, but they can only do residential homes, not commercial as well.

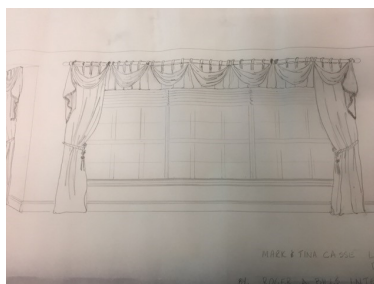

To her delight, she found that her degrees in Economics and Psychology were beneficial to her business acumen. A love of math was helpful with financial and measurements; Psychology helped with the intricacies of dealing with people and understanding what they really want. An example she gave of “picking peoples brains” was when she asks a client what colors they like, they generally say none of them. Then she asks if they like blue and they say yes! Clever.

A decision to further her interest in designing furniture led her to move to Ft. Lauderdale. She loved furniture designing and while she was doing that, she designed model homes, condominiums, high rises and did high rise renovations on the ocean front. Other places besides Ft. Lauderdale that she worked her magic was Orlando and Ormond Beach. She then settled in Ocala, and got her Green Building Inspectors license too.

Suzanne is now working from her home. We got a big treat when we were shown her 2 studios. They were amazing! There were shelves full of books of fabric samples in all colors and textures in both studios. The samples came from all over the world; France, Italy, Australia, everywhere. Sample of some furniture pieces made of different woods we found fascinating too. Suzanne always sketches a client’s order for window treatments or the details of a furnished room, so she and the client can see exactly what the finished look might be. We saw some of her sketches of window treatments and a lovely office room. Fabulous! Every detail was included. She does them freehand and they are very accurate. She has 3 basic categories for her fees which is easier for her and the client to work with.

- *Consultation Fee: Based on an hourly fee.
- * Building a home and furnishing advice: Flat rate
- *Commercial Fee: Based on square footage

She is very passionate about her work and just by talking with her, we could see she enjoys it all very much. She did tell us a lot of the fun is not having to do the same thing twice.
