ASSOCIATION INFORMATION

PRESIDENT'S MESSAGE:

“I thought it would be nice this month, to get to know the members of the Board. This month, our Secretary, Karen Reade, will tell you a little about herself. Best always, Leslie”

When Leslie asked me to write something about myself, I thought back to my first resume'. All it included was graduating from high school, babysitting experience, and the personal accomplishment of Curved Bar Rank in Girl Scouts. I got the job to pay for college, but I think my aunt working there had more to do with it than my resume'. It got me thinking that I have worked at so many places that don't exist now, like that first real job at the huge institutional county old folks home, which was closed and replaced by individual care centers. Later was as an assistant manager at a S.S. Kresge, the original 5 and 10 that morphed into K-Mart. Or the lumber mill that was taken over in a buy-out, then pre-empted by a government take-over of the timber lands. Everyone was "laid off". When I married a Canadian, I worked in Canada for an art supply place that was purchased by an English company. We moved from Toronto, Ont. to Vancouver, B.C., and I worked for a company that packaged nuts for a now long gone grocery store.

When we moved to Florida to be near my parents, I started work for the U.S. Postal Service. I knew it was never going to disappear. But the job changed so much, with the computers, machinery and vehicle advancements, and personnel adjustments; it required a new set of skills from the ones I learned when I started. And as computer communication has taken over our lives, it has less relevance than it did when I started. I can remember taking mail out to the street with social security checks, and seeing the street lined with people at the mail box, waiting to take them to the bank. Banks closed at 3 P.M., so timing was everything. Almost 30 years went by. At the same time, those years were filled with family, including two sons, and helping with my husband's business, and as much travel as we could muster.

Now I am retired, and when we found Meadow Wood Farms, we fell in love. It seems like we have been thinking of some place like this for years. That "someday" place was real. I have slowly been trying to get involved in some of the opportunities here, from line dancing to parties to the Property Owners Association. I haven't met anyone who doesn't feel like they could be family. O.K., so you would have to know my family, but you know what I mean. It feels like home.

Membership & Newsletter

The newsletter is ALSO available in color on the website.
www.mwfpoa.com

The current membership year runs from June to the end of May the next year. Please renew your membership ASAP. Your membership supports the monthly Newsletter along with a multitude of events and improvements to our community. We need all of you to participate in keeping Meadow Wood Farms the wonderful place to live that we enjoy. Finally, don't forget that as a member you have a voice and a vote and are encouraged to participate in all aspects of the Association.

Need to check if you've paid? Contact Dick Woodrome at 861-2364 or email him at rdw218w@aol.com. You can have the good feeling that comes from being an involved and contributing member of your community.

The NEWSLETTER will be delivered to everyone in MWF who requested it. Mailing tubes have been attached to your mailbox stand in order to make these deliveries legal in the eyes of the USPS. If you're not getting one and/or need a tube, contact **Dick Woodrome at 861-2364 or email him at rdw218w@aol.com**

****NOTICE: Residents who summer outside of Meadow Wood Farms please advise Dick Woodrome to update your subscription from home delivery to the mailing list.****

THANK YOU NEWSLETTER DELIVERY PEOPLE!

A volunteer group of your neighbors delivers your newsletter every month. This saves the association considerable mailing expense and ensures that you get your newsletter in a timely manner.

Also

Thank you to our generous members who contribute delicious goodies to our meetings making them more festive and social.

Recycle Your Aluminum Cans

A Portion to Benefit MWFPOA Treasury

Thank you Rachael and Lillian Workman!

The recycle point for your aluminum cans is at the front entrance to the Friendship Park on Lake View Drive East. Barrels are provided for that purpose. Cans that are rinsed, tab tops removed and crushed are our favorites. Tab tops may go to any charity you know or bring them to meetings to go to Shands Juvenile Kidney foundation.

ALUMINUM CANS ONLY PLEASE!

Come to the Meeting and Win \$125

The 'It Pays to Come to Meetings' jackpot is up to \$100. A drawing will be held at the next MWFPOA General Meeting for \$125.00, adding \$25 each meeting until a name of a present resident is drawn. **It REALLY pays to come to the meetings.**

Fencing and Your Control Committee

Do you remember the first time you saw the community of Meadow Wood Farms? Maybe you drove by many times before deciding to rent or buy in this subdivision.

What was the first thing that caught your eye? For me it was the fencing. Fencing provides security, boundary definition, and adds a continuity that wouldn't exist without it. As any community ages, some things deteriorate over time, included in those things would be fencing.

Your Control Committee exists to assist our friends and neighbors with courteously responding to properly filed complaints or questions about fencing. We are conscious of the fact that not everyone may want to repair a fence. There is no requirement to have a frontal fence, but if you have one it must conform to the designs illustrated in the MWFPOA Telephone Directory on page 40. These designs are also regulated by Section 19 on page 26. If you do not want to repair the frontal fencing along your lot, just remove the fence. Not all issues that we examine turn out to be violations.

Your Control Committee is made up of your friends and neighbors. We are volunteers who care about the appearance of our community and who respond to issues as they arise. Maintaining property value is a primary goal of our attention to fencing and related issues. Robert Frost, the esteemed New England poet, remarks in his poem Mending Wall, 'Good fences make good neighbors.'

I happen to believe that good neighbors make good neighbors. If you have any questions about fencing, please feel free to contact me at 603-553-5851.

Tom Corrow
Control Committee member.

Meadow Wood Farms Critter News

I would like to express my appreciation for the many good folks in this community who open their hearts and homes to animals in need. The Coveney family continues their amazingly long and demanding struggle with Paddy, Deni now has 4 more cats and an unidentified resident took home a sadly geriatric and almost hairless dog wandering the road recently.

I've been able to rehome a number of "visitors", including the memorable Dooley, who now lives with Elizabeth Waller (check out her footwear – if the shoes don't match, it's because Dooley only eats one of each pair).

Sherlock remains with me at this time and is definitely progressing toward something approaching domestication, although the road ahead may still be fairly lengthy.

When I moved into MWF, part of the attraction was the "equine friendly" designation and I do love horses, in spite of the many fractured bones I've endured related to my adventures with them. However, my life now revolves around canine and feline needs.

On that note, I would like to remind everyone that taking the time to fill out a registry form for your 4 footed friends can make a positive difference should one of them become separated from you. Don't rule out the possibility – it happens even with the most cautious owners. I am happy to deliver forms and pick up completed ones. Keeping some form of identification on your pet or microchipping is important (don't forget to register the chip and update the information if you move). And neutering our pets?? I won't even go there now – but perhaps next month.

Do you know of a Meadow Wood Farms neighbor in need? The Meadow Wood Farms Angels is a group of anonymous volunteers who are ready to help with those small, one-time projects that our neighbors cannot do by themselves by reason of age, illness, disability, or lack of funds.

To submit a request for assistance, email: MWFAngels@gmail.com or call Elizabeth Waller. The Angels will contact you and obtain additional information in order to evaluate the request.

OCALA WALK TO END ALZHEIMER'S 2017

Saturday, October 21st, dawned clear and breezy as 15 members of the Meadow Wood Memory Walkers team gathered at Tusawilla Park in Ocala for the 2017 Walk to End Alzheimer's. Following our catered breakfast in the Pace Setters tent (to which we were invited as a result of our outstanding fundraising in 2016), the team gathered for a group photo before setting out on the three-mile walk. This year our Meadow Wood neighbors were joined by several non-MWF team members who accompanied us in support of family or friends suffering or lost to Alzheimer's. Hundreds of walkers all carried colorful flower pinwheels—orange for general supporters, yellow for caregivers, purple for those who have lost someone, and blue for current dementia patients-- that only added to the festive atmosphere. As stated in the Opening ceremony, we all hope for the addition of a fifth color to the rainbow: a white flower to signify the first Alzheimer's SURVIVOR.

Team captain Elizabeth Waller was "assisted" on the walk by Team mascot Hoss Kane, who showed off his strength by pulling her along in her wheelchair (necessary thanks to an inconveniently fractured foot). Later on, Hoss was relieved by team members Bill Woods and Frank Amey, who ably steered around cracks, curbs, and RR tracks with only a modicum of damage to Elizabeth and to the wheelchair.

I think it's fair to say that everyone had a wonderful time at the event. And thanks to our MWF and other donors, once again we were at the top of the heap. At this point, with some donations still to be recorded, we are the #1 team! By our calculations, the Meadow Wood Memory Walkers raised over \$13,000 for the cause, with one of our team members, Bill Woods, raising \$7,700 all on his own. We rock!

Just a reminder: donations will be accepted for this year's Walk until **December 31**, so if you just didn't get around to it, go ahead and take care of it now by visiting <http://www.act.alz.org> and looking up our Team page. You could be the one who pushes us over the line into 1st place!

Elizabeth Waller, Captain

Complete list of team members: Cheryl Amey, Frank Amey, Bob Coveney, Barbara Eaton, Buddy Henry, Dorothy Henry,

Dave Kane, Deb Kane, Hoss Kane (official mascot), Barbara Keeler, Karen Reade

Leo Smith, Linda Smith, Courtney Wiest (and daughter Presley), Bill Woods

Team members not present at Walk, but much appreciated: Martha Belchic-Loeb

LINE DANCING — Sandy Mollberg

Line dancing is performed by a number of people all facing in the same direction and moving in lines. Partners are not needed to enjoy this style of dance.

Regular line dancing starting Mondays at 7 pm. Friendship Park.

Everyone invited to join in. on the fun. We will be reviewing dances. Friendship Park. Everyone invited to join in and learn to line dance.

DANCING UNDER THE STARS HOLLYWOOD NIGHTS

Wow! The party committee headed by Connie Story and Sandy Mollberg, did it again. This fall's Dancing Under the Stars was a huge success in every way. Even with all the party gifts, music, dancing, food and drink, decorations and entertainment, they always clear expenses and actually make some money.

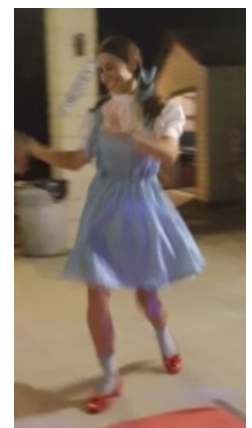

The theme was Hollywood Nights, so of course, it included the appearance of well-known stars on the red carpet. Sassy Lucille Ball (Sandy Mollberg) was the first to show up followed by a sashaying, "better when she's bad", Mae West (Jodie Gebhard). Judy Garland (Pam Hebert) skipped down the yellow brick road as Dorothy. Inspector Clouseau (Tony Lemisch) arrived to the background music of the "Pink Panther" and Shirley Temple (Linda Lemisch) stayed up past her bedtime to celebrate with us.

The usual fantastic feast was offered up for the guests. Jim Canterbury is always the unsung hero. Who do you think cuts up all the meat and hauls all that serving stuff in and out? We see you Jim. Almost everyone danced to the music provided by the DJ and his partner, who were fabulous. They loved our exuberant participation so much, that they offered to come back for another event for free! We are so cool!

Oh, yes. Marilyn Monroe (Allison Carnell) was totally sexy in her signature white dress. The guys were particularly impressed, when her skirt flipped up to show those long legs..... etc. Making a fashionably late appearance were a whip cracking (sort of) Indiana Jones (Jim Bain), someone for the ladies to ogle, in the person of The Lone Ranger (Tim Smith) and his faithful companion Tonto (our very own part Indian Dennis Keeler).

Usually, I'm still up North this time of year, so I didn't realize just how much effort goes into this event. Here's to everyone who makes this possible, including the party committee, the clean-up crew, who came out a previous week-end to scour the Park, the set-up volunteers and those who stay to put everything away at the end of a wonderful evening. Also, we can't forget our neighbors, who are willing to risk their dignity for our entertainment. The weather was warm, but bug free. Can't wait until next year. See you then.

The 2017 4th Annual Veteran's BBQ and Chili Cook-Off!

This year's premier family event, the 4th Annual Veteran's and First Responders BBQ and Chili Cook-Off is scheduled for Saturday afternoon, November 11 from 3:00 pm until 6:00 pm. (See flyer elsewhere in Newsletter) Once again we have requested the vintage military vehicles be present to help honor our veterans. Not only are our Veterans and Active Service Members being honored, but we are also honoring our First Responders, past and present.

Thanks to Warren Levin, this year we will have the Dunnellon High School Air Force JROTC present the Colors to open our event. This will be a great opportunity for you to see what these fine young men and women have accomplished and the pride they take in our country. It is certainly something you will want to see.

All of those being honored get a complimentary meal to thank them for their service and for helping keep America and the communities they have served safe. Meals for others are only \$5 each. Bring your children or grandchildren so they can see the vehicles and learn a little history from those who have served.

It is important we get a count of those attending so we can plan for the main course of the meal. This year we are going to provide pulled pork as our main course, with buns and water and iced tea. Once again we are asking our wonderful neighborhood cooks to contribute something, either a side dish or a dessert to help make the event another great success.

To obtain your tickets, please contact me directly at 509-7754, or by email at dck945@yahoo.com and I'll bring them to you. You can also pick them up at line dancing from Sandy Mollberg, by calling her at 861-9622 or flagging her down on her scooter. All Board members also have tickets and will be happy to provide them for you.

If you are interested in helping me with the tickets, or organizing the Chili Cook-Off, please contact me. As many of you know, I can use all the help I can get. Dave Kane

Meet Your Neighbor: Devoni Stephens

I love meeting young people who have ideas and enthusiasm. It bodes well for the future. We have such an aspiring entrepreneur right here in Meadow Wood Farms. Devoni Stephens came to the Board Meeting with a proposal. He is currently at the College of Central Florida, studying business and design. As part of an ongoing program, he has come up with an interesting idea to fulfill a “concept project” emanating from an economic study in school. The concept is to come up with something that would produce the maximum efficiency along with maximum output to increase productivity. This plan should also be applicable to everyday use.

He has an idea, but the next part of the exercise is to “establish factually, what you perceive to be the case”. Devoni needs our help to test his plan out before he presents it for school. His project is to create a car wash, utilizing a 12 volt water pump, which he believes is the most efficient way to save water, while accomplishing the task effectively.

The average car wash uses 8-120 gallons of water per wash.

Commercial washes use 30-60 gallons, because they recycle the water. (Yuk! I didn't know that.)

A nozzle uses 65-85 gallons.

A bucket uses 8-15 gallons.

Devoni thinks he can work his magic with 4-6 gallons for a sedan and 5-10 gallons for an SUV or Truck, but that is what this exercise is all about.....to factually prove his premise.

Here's how we can help this enterprising 20 year old, young neighbor:

He received approval from the board to use the neighborhood as his testing ground for a limited time. He proposes to conduct a **private car wash at his home 11 NORTHERN DANCER. The first date is NOV. 5, a Sunday, and will be every other Sunday thereafter for 3 months. He will have a sign out front on those days with the hours and prices. \$20 for cars ----cleaning inside and out, \$40 for SUV's or Trucks -----also inside and out. First week 12-5 pm.** Thereafter the hours will be announced on our aol site. You can also call Devoni at 352 804-2503.

If it all works out, Devoni hopes to add this experiment to his portfolio for product development with the ultimate goal of transferring to UCF. He said that experience counts a lot in this endeavor.

Or, who knows, maybe we will be participating in the emergence of the next CAR WASH KING???? Will you remember us then, Devoni?

We have a plethora of interesting and creative people among us . We thought you would like to meet them or get to know them better. Likewise if you have someone you think we should feature, let us know at mwfpoanewsletter@gmail.com
